## HOW TO COMPLETE THE 2018 **PAYBACK FOR VISUAL ARTISTS** CLAIM FORM

### ***Step 1 – Get organized***

To save time filling out the online Payback claim form, we suggest you get organized by listing all of the images in works you've had published in print format and for which you retain copyright over the last 20 years (1997-2016). You will need to enter the total number of works and the total number of images per eligible year per category (books, magazines, journals and newspapers). Bibliographic details, such as ISBN/ISSN and title, are not required unless you are audited. Digital/online works are not eligible. Our FAQ has more information on which works are eligible for Payback.

If you have submitted a claim previously, you only need to enter your 2016 totals (if any). If you do not have any new images to submit, you do not need to do anything as your previously submitted data is retained in our system and will be used to calculate your 2018 Payback payment.

### ***Step 2 – Log in***

1. Go to [www.accesscopyright.ca](http://www.accesscopyright.ca) and click on the **Payback** link under Creators on our home page. This will take you to the login link.
2. Type in your username and password to log in.

You can retrieve your username by clicking on the “Forgot username and password” link on the Payback login page. Enter your Payback Reference Number (listed as your “RMS ID” on your Distribution Reports) and your email address. An email will automatically be sent to you with your username. **Usernames are usually your first and last name, all lowercase with no spaces, e.g., johnsmith, or the one you created when completing the online registration application form.**

If you cannot remember your password, click on the “Forgot Password” link located on the Payback login page. A link to reset your password will be sent to the email address we have for you on file.

3. If this is the first time this year that you have logged into Payback, please take the time to review and update your contact information and press “Save.” *Please note, if you had previously requested that your payment be sent to a person or an organization other than yourself, or if you are registered with Copyright Visual Arts, you can also view their mailing address on file to confirm it is current.*

### **Step 3 – Complete the online claim form**

2. Click on each applicable category (books, magazines, journals and newspapers) to enter your total images per year.
